Reimbursement Policy

Croydon Community School will not reimburse costs to students, parents, staff or external parties where the school is not responsible for the damage or loss. This includes damage caused by students enrolled at the school (eg. damage to staff cars caused by a student or a parent, damage to neighbourhood fences or community facilities). The school will assist, where possible, to identify those responsible for the damage to Victoria Police.

Croydon Community School and OPTIONS programs, will reimburse costs to students, parents, staff or external parties where the school as an entity is responsible for the damage caused. For example, if a tree falls and damages a boundary fence, the school will pay for repairs to the fence.

Croydon Community School will maintain insurance cover on leased or hired goods to minimise the risk of expenditure to cover repair/replacement. Croydon Community School will also maintain insurance cover for damage to motor vehicles in the car park of the school, including the Capacity Building team located at Wheelers Hill, OPTIONS@Bayswater and Woori Yallock Farm School.
